

**BIOGRAPHICAL SKETCH**  
**DR. LUIS A. RIBERA**

Dr. Ribera is an Associate Professor and Extension Economist for Texas A&M AgriLife Extension and Texas A&M Transportation Institute. Dr. Ribera also serves as the Director of the Center for North American Studies and Program Director for International Projects for the Agricultural and Policy Center. Dr. Ribera received a B.S. and M.S. from the University of Arkansas and a Ph.D. from Texas A&M University all in Agricultural Economics. His primary responsibilities are statewide international trade and transportation issues as well as feasibility studies, economics impacts and risk analysis. Dr. Ribera is working on economic impacts and infrastructure needs on the increased produce trade through Texas ports of entry and impacts of potential increase of agricultural trade with Cuba.
